Re: Letter before action: invoice INV-1041

Dear Sir or Madam,

Letter before action

We write about the sum of £1,937.83 owed by Northwind Fabrication Ltd to Harbourlight Joinery Ltd, which remains unpaid despite our earlier reminders. This letter sets out our claim so that you can consider it before we start court proceedings.

Basis of the claim. Under a contract between our companies, we supplied the manufacture and delivery of 40 powder-coated steel brackets under your purchase order PO-5521. We invoiced you on 1 July 2026 (invoice INV-1041) for £1,840.00, payable by 31 July 2026. Payment is now 46 days overdue.

How the amount is calculated.

Item	Amount
Invoice INV-1041	£1,840.00
Principal outstanding	£1,840.00
Statutory interest at 12.00% a year to 15 September 2026	£27.83
Fixed-sum compensation for late payment	£70.00
Total now due	£1,937.83

Interest and compensation are claimed under the Late Payment of Commercial Debts (Interest) Act 1998. Statutory interest is simple interest and continues to accrue at £0.60 a day until payment.

What we require. Please pay £1,937.83, together with further interest of £0.60 for each day after 15 September 2026, by **29 September 2026**, to:

- **Account name:** Harbourlight Joinery Ltd
- **Sort code:** 00-00-00
- **Account number:** 00000000

- **Payment reference:** INV-1041

If you dispute the claim, in whole or in part, please tell us in writing by 29 September 2026, giving your reasons and enclosing copies of any documents you rely on. A copy of the invoice is enclosed.

If we receive neither payment nor a response by 29 September 2026, we intend to issue a claim against Northwind Fabrication Ltd in the County Court without further notice, and to ask the court to order you to pay the court fee and any interest and costs it allows. We would much prefer to settle this without going to court, and we will consider any reasonable proposal for payment, or any form of alternative dispute resolution such as mediation, that you put to us.

Please note that the court expects parties to follow the Practice Direction on Pre-Action Conduct and Protocols, and may take into account whether you have responded to this letter.

Enclosure: copy invoice INV-1041.

Yours faithfully,

Sam Hollis

Director, Harbourlight Joinery Ltd
