Re: Claim for statutory interest and compensation: invoice INV-1029

Dear Ms Okafor,

Our invoice INV-1029, dated 31 May 2026, for the fit-out of your Eastmouth showroom, was due for payment by 30 June 2026. Thank you for your payment of £12,400.00, which we received on 20 August 2026, after the date it was due.

Our contract with Brightwater Events Ltd was made between two businesses, each acting in the course of business. The Late Payment of Commercial Debts (Interest) Act 1998 therefore entitles us to simple interest on the late payment from the day after it was due, and to a fixed sum as compensation. We now claim both.

Statutory interest

The rate of statutory interest is 8% a year above the Bank of England's official dealing rate (Bank Rate) in force on 30 June 2026, the 30 June or 31 December immediately before interest started to run. That rate was 4.00%, so statutory interest runs at 12.00% a year.

Interest is calculated from 1 July 2026 to 20 August 2026, 51 days, as $£12,400.00 \times 12.00\% \times 51 \div 365$, which is £4.08 a day.

Amount claimed

Item	Amount
Statutory interest, 51 days at 12.00% a year	£207.91
Fixed-sum compensation (debt of £10,000 or more)	£100.00
Total now due	£307.91

The fixed sum of £100.00 is set by section 5A of the Act for a debt of £10,000 or more.

Please pay £307.91 by **15 September 2026** to:

- **Account name:** Harbourlight Joinery Ltd
- **Sort code:** 00-00-00

- **Account number:** 00000000
- **Payment reference:** LPI-1029

If you believe any part of this claim is wrong, please contact Sam Hollis on 07700 900123 or at accounts@harbourlight.example by 15 September 2026, giving your reasons.

If this sum is not paid, we may include it in a claim against Brightwater Events Ltd in the County Court.

Yours sincerely,

Sam Hollis
