Re: Claim for statutory interest and compensation: invoice INV-1041

Dear Sir or Madam,

Our invoice INV-1041, dated 1 July 2026, for the manufacture and delivery of 40 powder-coated steel brackets under your purchase order PO-5521, was due for payment by 31 July 2026. The invoice remains unpaid.

Our contract with Northwind Fabrication Ltd was made between two businesses, each acting in the course of business. The Late Payment of Commercial Debts (Interest) Act 1998 therefore entitles us to simple interest on the late payment from the day after it was due, and to a fixed sum as compensation. We now claim both.

Statutory interest. The rate of statutory interest is 8% a year above the Bank of England's official dealing rate (Bank Rate) in force on 30 June 2026, the 30 June or 31 December immediately before interest started to run. That rate was 4.00%, so statutory interest runs at 12.00% a year.

Interest runs from 1 August 2026 to 15 September 2026, 46 days: $£1,840.00 \times 12.00\% \times 46 \div 365 = £27.83$, or £0.60 a day.

Amount claimed.

Item	Amount
Invoice INV-1041, unpaid	£1,840.00
Statutory interest, 46 days at 12.00% a year	£27.83
Fixed-sum compensation (debt of £1,000 or more but less than £10,000)	£70.00
Total now due	£1,937.83

The fixed sum of £70.00 is set by section 5A of the Act for a debt of £1,000 or more but less than £10,000.

Interest continues to accrue at £0.60 a day from 15 September 2026 until the invoice is paid.

Please pay £1,937.83 by **29 September 2026** to:

- **Account name:** Harbourlight Joinery Ltd
- **Sort code:** 00-00-00
- **Account number:** 00000000
- **Payment reference:** INV-1041

If you believe any part of this claim is wrong, please contact Sam Hollis on 07700 900123 or at accounts@harbourlight.example by 29 September 2026, giving your reasons.

If this sum is not paid, we may include it in a claim against Northwind Fabrication Ltd in the County Court.

Yours faithfully,

Sam Hollis
